WORSHIP

This week we have looked at what it means to belong. We looked at different symbols and how they represent the company or brand. We linked this to our school badge and discussed the meaning of the four pictures on the badge: the stone column cross that can be found near Tesco, the Lancashire red rose, the shells for St James and the fire because we are a forest school. We looked at how we belong to our school family, our own family, different clubs and as a church school we are part of God's family.

I AM A
CHILD
OF
GOD.

JOHN 1:12

Yoga Festival

Today the children had a lovely experience with the yoga coach. They were taught ways to be still, to relax and ways to express their gratitude. Hopefully you will have some calm children arriving home tonight!

Home Reading

Please can all home reading books come to school on a daily basis. Please can you sign and comment in your child's reading record when they read at home. All classrooms have had their reading areas developed this past month and they are lovely inviting places for the children to read and relax in. I have attached some pictures of a few reading areas and displays we have recently developed in school.

Health & Wellbeing

We have been talking to the children about taking time to be still and quiet. We have shared with them how reading helps you to relax and regulate before bedtime. It has been lovely discussing the books they have been reading at home.

School Uniform

Please find attached a school uniform list, which we sent out last summer. As we look to spring/summer uniforms and the children doing PE outside please note that they need trainers and tracksuit bottoms for PE sessions, along with shorts and t-shirts.

A Christian family, where all are valued, children achieve and the future begins.
