## Earth Day

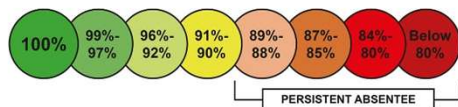

Last Monday we joined in with World Earth Day. Mrs Kellett introduced the theme in worship. We looked at people who make a difference to our world, including the work of David Attenborough. Throughout school we now have new recycling areas, to support our planet v's plastics mission.

## Attendance and Holidays

As a school we have a robust attendance and exclusions policy that is led by Mrs Chadwick and supported by Mrs Prosser. If your child's attendance becomes a cause for concern, we will contact you to look at how we can work together to improve this. Holidays in term time will not be authorised and families will be at risk of being fined by the local authority.

## ATTENDANCE MATTERS

On Time: First Time, Every Time

## Which CIRCLE are you in?

### LOCAL PARKING

Please be mindful of parking in front of resident's homes and blocking driveways. We have had a few complaints, and we want to be able to work in partnership with our community. Thank you.

Thank you to everyone that has volunteered to help on the day. We are still in need of more helpers. Year 6 children have also been asked to help on stalls too, even if this is just for an hour.

Well done to the girls' football team who have continued to play some incredible football in the local schools' tournament. Good luck in your last match today! Well done to the KS1 football team who came 3<sup>rd</sup> overall in their tournament – AMAZING!.
