What a Wonderful Week!

Dear Parents and Carers,

A quick note to say what a wonderful week at school it has been. Children have certainly settled into school life, gaining confidence in their new settings. Walking round each day they are so eager to share their work with me and have a chat which is nice.

We have had various extra-curricular events taking place throughout the week to further enrich our children's experiences including 'TRIKIDZ' – where all pupils had the opportunity to complete their very own unique triathlon including biking, running and resistance bands to replicate swimming.

Have a great weekend,
Mr Atherton
