Daily Mile Fundraiser

I would like to extend a huge thank you to for all your donations towards the 'Hope Begins' charity event 'Walk a Mile in My Shoes'. The children took part in a daily mile throughout last half term as well as at home raising a total of **£649.80!**

We are blown away by your generosity and kindness - this will go a long way to helping our partner school, Cornerstones Preparatory School, with bags and stationery for the new school year. To learn more about the foundation and the challenges the children face, please watch:

Aspirational Worships

A special thank you to parents and carers who have offered to come to school to share their careers with our children during Friday worship. Reverend Emily began this on Tuesday discussing her career and explaining her calling from God. Which led nicely into today's worship where completed our first aspiration which was the role of a Children's Community Nurse.

The children were impressed to hear that we have such dedicated and special job roles in our community and closely linked to our school family. Thank you to Mrs Hawkins for your contributions, Emily and Abigail were very proud of their mum today.

Morning Drop Offs

A polite reminder for children to remain with parents and carers during drop-offs on both Key Stage playgrounds. Children must stay off the play equipment and grass to avoid injury as they prepare for the start of the school day. Upon entering the school grounds, children are not permitted to be on bikes or scooters for the safety of others.

Thank you for your support.

SCHOOL ATTENDANCE

Reception: 96.9%

Year 1: 98.2%

Year 2: 99.1%

Year 3: 98.9%

Year 4: 95%

Year 5: 96.2%

Year 6: 96.7%

This week's attendance
champions are Year:

2

Well done Year 2!

You achieved 99.1% attendance for
your class!

Whole school attendance
this week is:

97.3%

Good attendance is vital to your child's learning and progress. Research shows that children with high attendance achieve better academically, build stronger social relationships, and are more confident in their learning. Even a small amount of absence can have a significant impact on a child's progress, for example, overall attendance of 90% equates to nearly four full weeks of missed school in a year.

We understand that illness and unavoidable circumstances can sometimes affect attendance. However, it is essential that these occasions are kept to a minimum and that the school is notified as soon as possible if your child is unable to attend.

DATES FOR THE DIARY

Thursday 25th June	Y6 trip to Edge Hill
Friday 26th June	Y6 trip to St George's Church (Leavers' Service)
Monday 29th June	Y5 Worden Academy Taster Day
