

Leyland St. James' CE (Aided) Primary School

A Christian family

**where all are valued,
children achieve, and the future begins**

Our mission is to serve the community through serving our children. Every child is welcomed regardless of need for 'who so ever welcomes one such child in my name welcomes me' (Matthew 18.5). Everyone is valued; everyone has worth. We ensure that every child develops within God's love.

Pupil premium strategy statement

When reading this strategy statement, please reflect on both our vision and our principles that:

Leyland St. James' CE (Aided) Primary School is a place of love and a place of learning. It is a haven for children and families and supports all kinds of learning and development. At St. James', we believe that all children are made in the image of God without exception. All are loved and called in Christ, without exception, without exclusion.

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.
